DOMAINE
SOHLER
PHILIPPE

In the heart of the Alsatian vineyard, the **Domaine SOHLER Philippe** is located in Nothalten, a small village on the Alsace wine road located between Haut-Koenigsbourg and Mont St-Odile.

It is around this small village that our estate extends over an area of 11 Ha.

We cultivate the 7 Alsatian grape varieties: Riesling, Pinot Gris, Gewurztraminer, Pinot Noir, Muscat, Pinot Blanc and Sylvaner.

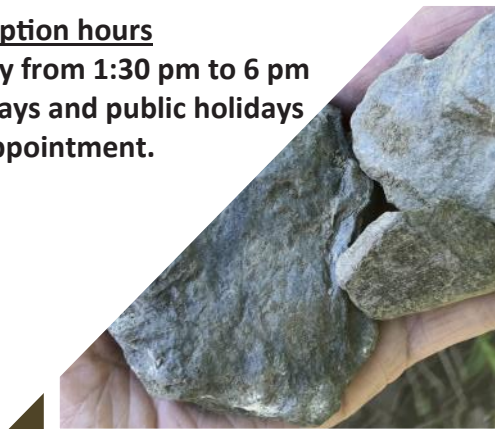

We benefit from a great diversity of soils: sandstone, granite, limestone, clay, shale... Which transmit to the Alsatian grape varieties their full maturity and reveal all their complexities in our wines.

Passionate about nature, we use the virtues of wild plants combined with the cycle of the moon for the well-being of our vineyard. In the cellar we privilege the purity of our fruits and the reflections of our multiple terroirs for mineral and crystalline wines. The conversion to organic farming since 2018 is for us the continuation of our parents' work.
